Fall 2020

What a year 2020 has been!

From an unprecedented pandemic that has swept our world, to the tumultuous hurricanes, fires and the unsettling social injustice that continues to wreak havoc throughout our nation, these all-time low points have caused great pain, strife, discord and pain.

But there is hope!

Perhaps one bright beacon of light and ray of hope appeared with the President-Elect Joe Biden's selection of a running mate – Vice President-Elect KAMALA HARRIS. Let's all continue to lift both the Bidens and the Harris families, as well as our nation, up in prayer through these unsettling times.

To help us get through these challenges, your friends and colleagues at Women Grow Strong have steadily helped support women and children who have found themselves with little or no food, out of a job, and in need of some help. Through the small but much needed contributions and generous donations, we continue to provide clothing, shelter, food, training assistance and prayer support to those who need it most.

Our personal, direct and one-on-one support is how I believe we should reach out and touch. Not with grandiose fanfare to be seen by others, but in appreciation of gratitude with God's heartfelt love for life.

God has blessed and continues to bless those who help others in need. I hope that each of us makes it a point to share, to care and when possible – to give -of your time, your talent, your grandiose heart. God honors faithfulness.

In His Service,

**Bernadette A. Morris, M.P.A.**  
CEO – Women Grow Strong, Inc.

### WOMEN GROW STRONG GUIDING PRINCIPLE

The guiding scripture/principle of WINGS has been developed from the following passage of the Bible, located in the book of Philippians 4:12-13 (NIV)\*

*"I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. I can do everything through Him who gives me strength."*
